

To: Council Members, Police Commissioners
From: Chief William Knauer
Date: January 22, 2018
Ref: 2017 Annual Report

Greetings,

The following documents detail the activity for the Fortville Police Department for 2017. The Fortville Police Department prides itself on focusing on Public Safety & Public Service first and foremost. Any revenue generated as a result of this activity is **secondary**. Further, you will see that revenue generated by the department is down from the prior year. I attribute this to many factors. First, officers are busy spending more time on CFS from the EOC. You will see that our CFS increase **35%** over 2016. We had two officers off for different reasons for extended amounts of time. One for military service and one for disciplinary purpose.

You will find enclosed the Fortville Police Departments Calls for Service for 2017. Also included are statistics related to the Swat Task Force, NASA (Neighbors against Substance Abuse) Operation Pull Over, Seat Belt Enforcement and OWI enforcement.

You will also see that I have included goals that were accomplished in 2017 and goals to be accomplished in 2018.

The Fortville Police Department has worked very hard to reach out to our citizens and visitors to make Fortville a safe and desirable place to live and visit. I commend our staff of officers both Full Time and Reserves for assisting in making some of these projects possible.

NASA

(Neighbors against Substance Abuse)

In 2014 the Fortville Police Department joined forces with other agencies in Hancock County to launch the NASA program. Hancock County was the first county in the State of Indiana to start such a program. Under the direction of Director Tim Rutherford, all pay and equipment for officers participating in the program was paid for with funds under a grant. This in turn saves taxpayers money for this enforcement. In the upcoming years, funds should be available under the same grant to continue this program. The Neighbors against Substance Abuse Task Force worked a total of 895 hours in 2017 and spent \$31,325.00 and totaled 58 arrest. Attached is the breakdown of those efforts for the past year.

Hancock County Joint Task Force (S.W.A.T.)

The Hancock County Joint Task Force is comprised of officers from each agency within the county. The team is under the direct command of Mike Schwamberger of the Greenfield Police Department. On any call out, all Chiefs respond to the location at the command center. The Commander of the task force consults with the Chiefs as a group prior to any decisions being made for the team. Once the Chief's agree on a course of action, the directive is passed to the team Commander. Fortville police department has maintained three positions on the team over the past several years. Major Derek Shelley is a "Team Leader" on the team. We anticipate placing two additional Fortville Officer's on the team in 2018.

In 2017 the team trained monthly for a total of 104 hours. In 2017 the team was activated on 14 occasions. There were no injuries to officers as a result of call outs in 2017. One person died as a result of a self- inflicted gunshot. The call was dispatched as a "barricaded suicidal subject".

OPERATIONS PULL-OVER (OPO)

Officers of the Fortville Police Department worked several different projects in 2017 related to traffic enforcement and safety. This includes OWI patrol (operating while intoxicated) Seatbelt Enforcement and Aggressive Driving. Below are the numbers associated with these programs. These programs were paid for under both Federal and State funding at no cost to local tax payers for hours worked. This program is coordinated by Officer Matt Fox who oversees all traffic programs for the department.

Total Hours Worked:	183.5
Total Tickets Issued:	183
Total Warnings Issued:	150
Total Traffic Stops:	298
Total Grant Money Paid:	\$5,564.22

Criminal Charges related to arrest:

Driving while suspended:	7	Operator never Licensed:	2
Habitual Traffic Violations:	2	Dealing in Controlled Substance	5
Operating while intoxicated:	6	Possession of Handgun:	2
Possession of Marijuana:	3	Fleeing Law Enforcement:	0
Possession of Paraphernalia:	2	Persons wanted on warrants:	4

CFS

(Calls for Service)

Officers of the Fortville Police Department receive many different types of calls for service during their tour of duty. We pride ourselves on responding as quickly as possible to each detail in a safe and professional manner. Some of these calls are reports of criminal activity and some are civil in nature. It should be noted that not all civil calls are documented in report form. The Fortville Police Department provides coverage for the town 24 hours a day, 7 days a week. Please remember that it's not always the type of call that is most important for the department and the taxpayers but the amount of time spent on a call. This is what affects productivity, manpower and coverage. The department works a four on four off 12 hour schedule. Coverage during daytime hours is usually with one officer at 6:00am with a second officer coming on at 12:00pm. and a third officer on at 6:00pm. This provides double coverage during high call and high traffic times of an evening. Of course this is the goal however, with training, vacation, comp time and other activities, it is not always feasible.

The following page details the number of Calls for Service and the type of call by the Fortville Police Department for 2017. You will also see a breakdown of traffic enforcement and arrest. There is an attachment of the total types of calls for service (CFS). With a recent CAD update in early 2016, the numbers reflected in the attachment are the most accurate numbers available for 2017.

CALLS FOR SERVICE

The Fortville Police Department handled 8798 calls for service in 2017. This is an average of 24 contacts per day. These numbers do not reflect the amount of time spent on each call or patrolling and meeting with citizens. We must also remember with the number of CFS up from last year, the manner in which CFS are tracked are much more accurate than in previous years through an enhanced CAD (computer aid dispatch) system. I have attached a detailed CAD report from EOC which tracks all activity for the Fortville Police Department. So while some individual calls reflect a decrease, the overall calls have increased. The important thing to remember is the amount of time spent on different types of calls. An example would be, it takes more time to complete an arrest (average of approximately 3-4 hours) then it does to complete a citation. Below are numbers for arrest or enforcement action with a comparison to the prior year. **Total calls for service increased from 6,518 in 2016 to 8798 in 2017. This is a 35% increase in CFS.**

	2016	2017	+/- %
State Citations:	690	342	-50.4%
OVB:	992	919	-7.3%
Traffic Warnings:	1862	1336	-28.2%
OWI Arrest:	65	47	-27.6%
Narcotics Arrest:	57	83	+29.8%
Juvenile Arrest:	32	29	-9.3%
Adult Arrest	116	286	+146.5%
Warrant Arrest:	66	65	-1.5%

ACCOMPLISHMENTS IN 2017

The Fortville Police Department made great strides in 2017. Below are some of the programs/projects we have worked on. Each officer on the department has taken some part/ ownership in several of these accomplishments. I have outlined some of these below.

Research and implementation of EAP Program.

Implementation of Guardian Tracking Program for employee performance.

Replaced two vehicles in rotation.

Raised \$8970. for Shop with Public Safety. Balance \$7450.00

Hosted pre-basic and reserve academy for surrounding departments.

Graduated two Command Staff Officers from FBINA.

Upgraded in-car printers.

Base radio installed in PD. No Cost to taxpayers.

Conducted three Coffee with a Cop events.

Received Bullet Proof Vest Grant.

All vehicles equipped with tactical medical equipment.

GOALS FOR 2017

- | | |
|---|-----------------|
| Increase Reserve Officers to 13. | (Not Completed) |
| Replace 3 additional radar units. | (Completed) |
| Send Lt. Fox to Leadership Development School. (PELA) | (Completed) |
| Continue to build partnerships with community. | (On-going) |
| Host 3 Coffee with Cop functions. | (Completed) |
| Have base radio installed in police department. | (Completed) |

GOALS FOR 2018

- Replace 3 additional radar units.
- Continue to increase Reserve unit.
- Host 3 Coffee with Cop functions.
- Replace last 2 Chargers with Explorers.
- Destruction orders on all seized weapons over 7 years in property.
- Continue to build "Community Partnership"
